One/One

Strip!

Cloth catches on elbows and corners and edges. Furniture shudders; one side of the room to the other, a pinch, a grab, a rip. Clothes fly, breathless laughter tangles in shirts and hands snag on elastic. The final flip of a garment and socks dart under the bed, never to be seen again.

Naked, they face each other. Dirk flips his hair over one shoulder, cocks an eyebrow at the clock on the bedside – still, miraculously, in place. Kai grins.

"How long?"

"Three minutes."

"Tomorrow we do it in two. Now fuck me."

Dirk is only too happy to comply.
